Please be careful when filling out your forms. Visas for Vietnam are issued for specific date of entry based on the information on your visa application.
Please use the enclosed sample information verbatim and substitute your personal information.

Fees shown above include all necessary consular and service fees as well as the cost to return your passport(s) via FedEx within the continental U.S. (Please add \$32.00 to cover extra shipping costs for addresses in Alaska, Hawaii, or Canada.) We strongly suggest that you send your documents to us via FedEx or some other form of traceable overnight courier service.

Please enclose your actual passport along with two (2) photographs and one (1) completed visa application form each for Vietnam and Cambodia. Please also enclose two (2) clear photocopies of the vital information page of your passport and a copy of your paid flight and/or tour itinerary. **Note that your Vietnam visa application must be completed online at the link shown herein.** Photographs should be recently shot passport-type photos with a clear background approximately 2" x 2" in dimension. (Note that machine or home photographs are not acceptable and photographs must be different than those in your current passport.) Your passport must be valid for a minimum of six (6) months beyond the completion of your international travel and must have at least four (4) blank unused pages available, not including those reserved for amendments and endorsements at the back of your passport. Contact PTDS directly for assistance with the renewal of your U.S. passport, as this can easily be done at the same time you apply for your visas.

Applications must be received in our offices no fewer than 40 days prior to your departure from your shipping address, or by August 9, 2017, whichever is soonest. (Please do not send your documents more than 90 days prior to departure due to the short validity of your visas.) Documents received after the deadline will be subject to the per person expediting fee shown above. Special requests for passports to be expedited due to other travel plans prior to your tour departure may also require expediting fees. Please contact PTDS directly regarding any special processing needs or before submitting documents you expect may be received substantially after the deadline as there may be special requirements and/or additional fees to process your request. It may not be possible to cancel processing of your applications once they have been submitted.

Please note that consular fees, shipping fees and application requirements are subject to change without notice. Check or credit card payment accepted. Credit card payment subject to 3.8% surcharge.

IMPORTANT NOTICE - PASSPORT PAGES & VALIDITY:

You must have at least four (4) blank unused pages available in your passport for visas and entry/exit stamps. In addition, your passport must be valid for six (6) months beyond the completion of your international travel. If you are a U.S. citizen and do not have the adequate number of pages or validity you will need to renew your passport since the U. S. Passport Agency will no longer add pages. Pinnacle Travel Document Systems can easily assist you with this at the same time your visas are being processed. The total additional fees for this service (including U.S. government expediting fee) is \$276.00 for passport renewals and second passports. We can also assist you with expediting first time passport applications.

You will need to complete an application form and a letter of authorization for PTDS and must send your actual passport to us. Specific requirements and the necessary forms are available for download from our Internet site:

APPLICATION COMPLETION SERVICE

We will complete your online visa application(s) for you as an optional service if you are not able to or simply prefer not to go through the online process on your own.

You must still provide all the necessary personal information in order for us to be able to provide this service. A hand written manual version of the visa application(s) must be completed and returned to us before you actually send in your passport and other required documents for visa processing.

Once we have received your completed manual visa application form(s) we will execute the online form on your behalf and return it to you within 2 working days. You will then need to sign this form and include it with your passport, photographs and other documents being sent to us for processing of your visa(s).

Please note that this service is separate from the actual processing of your visa(s) and you must wait to receive and then sign the completed online version of the visa application form(s) from us before you physically ship your documents to us for visa processing.

The fee for this service is \$75.00 per application, per person payable via credit card at the time you send the manual version of the application(s) to us and is in addition to the visa processing fees quoted.

If you would like to take advantage of this service please call us at 888-838-4867 or email us at applications@pinnacletds.com to request a manual version of the visa application form(s) be sent to you.
