APPLICATION COMPLETION SERVICE

We will complete your online visa application for you as an optional service if you are not able to or simply prefer not to go through the online process on your own.

You must still provide all the necessary personal information in order for us to be able to provide this service. A hand written manual version of the visa application must be completed and returned to us before you actually send in your passport and other required documents for visa processing.

Once we have received your completed manual visa application form we will execute the online form on your behalf and return it to you within 2 working days. You will then need to sign this form and include it with your passport, photographs and other documents being sent to us for processing of your visa.

Please note that this service is separate from the actual processing of your visas and you must wait to receive and then sign the completed online version of the visa application form from us before you physically ship your documents to us for visa processing.

The fee for this service is \$75.00 per application, payable via credit card at the time you send the manual version of the application to us and is in addition to the visa processing fees quoted.

If you would like to take advantage of this service please call us at 888-838-4867 or email us at applications@pinnaclelds.com to request a manual version of the visa application form be sent to you.
