Please print the online form and include it with your documents.

Application forms must be printed on two separate pieces of paper. Application forms printed back to back on a single page are NOT accepted.

All forms must bear your original signature.

Indian visa applications must be perfect. Errors or omissions cannot be edited or fixed by PTDS. No marks allowed on applications other than applicant signature. Please be careful when completing your application to avoid delays.

Applicants are required to sign the visa application in two places. On page one, the applicant must sign COMPLETELY inside the box located under the photo area, if any part of the signature is outside of the box the application WILL be rejected. On page two, the applicant must sign on the dotted line at the bottom of the page. If the applicant is a minor, both parents or legal guardians must sign the application. Both signatures must be COMPLETELY inside the box located on page one.

Your application MUST be signed EXACTLY as you have signed your passport. For example if you have signed with your full middle name or initials the signatures must match.

Please be careful to copy and paste type the link exactly as shown above directly into your web browser address window and NOT into your search engine, e.g. Google or Yahoo otherwise you will not reach the application.
